ANOTHER RECORD FEAT BY AMERICAN RED CROSS

Paris, April 5.—The American Red
Cross has just performed another re-
cord feat by preparing and shipping to
a town behind the French front a tent
hospital of 500 beds within twelve
hours after receiving a request from
the French government. The hospital
was needed to take care of patients
suffering from frostbite, limbs who
were being removed from a hospital
in eastern France menaced by German
air raids.

CANDIDATE FOR
Attorney-General

I am opposed to the creation of an
inferior Criminal Court, because it
is useless and unnecessary as well
as expensive.
My first effort will be to protect
the public peace of the state, and
my second effort will be to protect
the public treasury.
It sometimes happens that fee-
grabbing prevails in some sections
of the county, not for the purpose of
enforcing the law, but merely for
the purpose of procuring fees, and
in this class of cases I will disallow
the cost, and try to put the fee-
grabber out of that kind of business.

STOCK EXCHANGE FALLS INTO APATHETIC STATE

New York, April 5.—Renewal of the
German offensive of the western front
caused only moderate unsettlement of
prices at the opening of today's stock
market. Investment falls reacted mate-
rially with United States Steel
and other standard industrials, but some
of the more speculative shares forfeited
a full point. Declines were effected on
very light offerings, the market falling
into its apathetic state before the
end of the first half-hour. Liberty bonds
were irregular.

All previous records for dullness were
broken during the noon hour, less than
14,000 shares changing hands. Prices
continued to shade, Southern Pacific, St.
Paul, Studebaker and Ohio Gas losing ap-
proximately 1 point each.

PERSHING REPRESENTED AT WOMEN'S FUNERAL

Gen. Lewis Attends Services
for Four American Workers
Killed by Hun Shell.

Paris, April 4.—Gen. Pershing sent
Brig.-Gen. Lewis, commander of the
American troops in Paris, to represent
him personally at the funeral services
today of the four American women
killed in a church during the German
bombardment on Good Friday. Ar-
chbishop Sharp attended the services
in the American church and various
departments of the French government
were represented. After the services
Gen. Lewis said:

"I received telegraphic instructions
from Gen. Pershing to be present with
my staff as the representative of the
commander-in-chief to honor the mem-
ory of the noble women who had done
so much for the sufferers in the pres-
ent war and whose relatives and
friends are still actively engaged in
helping the cause of the allies."

The women were Mrs. Marie Grin-
del and Mrs. Edward H. Landon, of
Mrs. Landon's daughters, Mrs. Ralph
Speed and Miss Ruth Landon.

ORDERED TO DESIST FROM UNFAIR METHODS

**Federal Trade Commission Is-
sues Order to Western Lum-
ber Companies.**
Washington, April 5.—The federal
trade commission today ordered ninety-
seven lumber companies in the west to
desist from unfair methods of compe-
tition. The order applied also to Luke
W. Boyce, a Minneapolis detective.
Procuring by bad faith or subterfuge
information intended only for bona
fide customers of mail order houses,
furnishing to Platt B. Walker, of Min-
neapolis, Minn., publisher of the Mis-
sissippi Valley Lumberman, of names
of persons selling to mail order com-
panies, the employment of Boyce to
obtain the business sources of mail or-
der firms and the following of mail
order salesmen to embarrass them in
their business dealings, were forbidden
in the future by the commission.

Walker and the Lumberman Pub-
lishing company recently signed a
stipulation of facts in cases against
them and an order was entered re-
quiring them to desist from the prac-
tices complained of.

VON BELOW ARRESTED FOR THIRD TIME AND JAILED

Memphis, April 5.—Martin von Below,
a vocal teacher, was arrested today
charged with violation of his federal
permit as an alien enemy and placed in
jail. This is the third time Von Below
has been taken into custody by federal
officers. A department of justice official
refused to discuss whether there is evi-
dence the prisoner had any connection
with the German government as one of
its agents in this country.

Von Below, although a resident of the
United States for many years, has never
taken out naturalization papers.

"See 'Gits-It' Peel Off This Corn"

Leaves the Toe as Smooth as
the Palm of Your Hand.

The corn never grew that "Gits-It"
will not get it. It never irritates the flesh,
never makes your toe sore. Just two
drops of "Gits-It" and presto! the corn
peels off. It is tried and true—used by mil-
lions every year. It always works.
"Gits-It" makes cutting and digging at a
corn and fussing with bandages, salves
or anything else entirely unnecessary.

need pay no more than 25 cents), or it
will be mailed to you by Dr. Lawrence &

CORN QUOTATIONS CONTINUE TO HARDEN

Chicago, April 5.—Seaboard demand
put new strength today into the corn
market, despite some hesitation at the
outset.
Corn displayed firmness owing to the
fact that any liberal movement from rural
sources did not appear likely to take
place in the near future. After opening
a shade to 1/8¢ higher, the market
continued to harden.
Sharp breaks in the value of hogs car-
ried provisions downgrade.
